

## Pancakes with Banana's and walnuts

This is my favorite version of pancakes. The banana adds sweetness without sugar, and the walnuts give it a juicy crunch.

### Pancakes for 2 people

1 cup Arnel's Originals Pancake Mix

2 eggs

2/3 cup water (more or less to your desired batter thickness)

Mix with a fork until blended

1/2 to 1 mashed banana

1/2 cup walnuts

Mash a banana with a fork and incorporate it into the pancake batter

Fold in the 1/2 cup of walnuts

Fry on a griddle with a little oil

Add whatever else you might want (Maple syrup,, Agave syrup, butter, fruit)
